- Protocol 1: Our desired group size is four. If at least three cannot join together, two will not be permitted unless they are of the **same gender**. There are no exceptions to this.
- Protocol 2: You must be in an area with sufficient signal and low noise/traffic. Please do not try to make this work in a public place or in your noisy living room. Set apart space and let family members know you need this time where there are no disruptions. Also, depending on your situation, it may be necessary to inconvenience yourself to make certain you have sufficient signal. Your sacrifice will be a gift to the entire group, as it will assure smooth and reliable interaction for everyone during prayer.
